

# “Staff Only” Links on the Website

At the bottom of the Middleborough Schools homepage there is a “Middleborough Schools Staff Only” link for all the staff in the district.

There is also a “Staff Only” link in MKG, HBB & MHS Schools websites - which only the staff in these schools and administration have access to.  
*When NMS & MECC are ready they will be setup the same way.*

***Here are the instructions on how to access these links from any computer with the Internet:***
