

SEPAC 2022

Event Calendar

The Middleboro Special Education Parent Advisory Council (SEPAC) is a group of parents with children who have special needs that want to help other families facing similar challenges. We volunteer our time to provide support and resources because we've been there- we understand. We also advise the school committee about the education and wellbeing of its students with disabilities. Our goal is to listen and provide information and assistance in an open and friendly environment. We are committed to empowering all families of students in our community that are on IEPs and 504 plans. We're all in this together! Meetings will be held on Tuesdays, in person, @ the MECC at 6:30pm.
