

# Second Grade Homework Information

Dear Second Graders and Families,

It is our pleasure to welcome you to our second-grade community this year! We are excited to collaborate with you to help foster your child's social-emotional and academic growth. We wanted to start by giving you our second-grade homework expectations for the year.

**Our intent for homework is to build a home-school relationship with each family. We also want to see what students can do without guidance from us, this way we can determine if concepts taught are being understood. One of the main reasons for homework in second grade is to teach children responsibility. It is the expectation that students return their homework when it is due.**

**Written Homework should never take longer than 20 minutes each night. If your child is taking more than 20 minutes, please contact your child's teacher.**

## **Math Homework:**

-A math page will typically be given out nightly to be returned the next day

## **Spelling/Word Work Homework:**

-Students will write their spelling words and sentences to go along with those words  
-Teachers will let students and families know when this work will be due

## **Reading at Home:**

-We are trying to build in reading as a habit into our student's everyday lives  
-Students are expected to read or be read to each night  
-It is expected that parents will work on reading with their child  
-This time will be above the 20 minutes of written work

If you have any questions or concerns, please contact YOUR child's teacher! We are looking forward to a great year together!

Thank you for your continued support,

HBB Second Grade Team
