

# WELCOME TO THIRD GRADE!

Third Graders & Families,

It is our pleasure to welcome you to our third grade community this year! We are excited to partner with you to help foster your child's social-emotional and academic growth. At **Open House and PT Conferences** we will have the opportunity to share more with you on the day to day happenings of third grade but until then here's some information that will be helpful to know!

## **THIRD GRADE HOMEWORK:**

- Homework will begin to be sent home on Monday, September 12
- Each month your child will receive a monthly reading challenge to be turned in at the end of the month or upon completion
- Weekly Math review will be sent home on Mondays to be returned on Friday
  - Please don't stress if your child is stuck on a math problem, circle any questions they need support with and we will work with them in school
- Homework should take **about fifteen minutes** and if it is taking longer, please stop and communicate with your teacher

\*This will not begin right away as we need to assess each child's reading level first and begin instruction

If you have any questions or concerns, please contact YOUR child's teacher! Looking forward to a great year!

HBB Third Grade Team ☺
