

Dear NMS incoming 6th, 7th and 8th grade students and families,

This year the English Language Arts Department at Nichols Middle School, is pleased to announce that we will be partnering with the Middleboro Public Library for our Summer Reading Program. This program will allow students to participate via signing up on the Middleboro Public Library homepage or having students keep track of what they read on paper. Paper packets are available at the NMS office.

This program encourages students to build stamina in their reading as well as challenges that include cooking, creative projects and other activities. All the challenges give students the chance to enter in drawings for prizes. See attached flyer for details.

At the beginning of next school year, ELA teachers will be discussing with students what books they read as well as giving the opportunity to students to turn in a reading log as evidence of their Summer Reading experiences.

Due to the unprecedented way that the year ended, this partnership with the Middleboro Public Library allows all students access to the program and families an easy and fun way to encourage their children to keep reading over the summer.

Attached is the Library flyer with information, but the information can also be found on the school website, through our Media Center page on our school website or through the Middleboro Public Library.

If you have any questions, please reach out to [nlaperriere@middleboro.k12.ma.us](mailto:nlaperriere@middleboro.k12.ma.us), [cdargeli@sailsinc.org](mailto:cdargeli@sailsinc.org) or [dwalgreen@middleboro.k12.ma.us](mailto:dwalgreen@middleboro.k12.ma.us).

Have a wonderful summer and happy reading!

Natalie LaPerriere  
NMS ELA Department Leader
