## English Language Learner Parent/Guardian Annual Progress Report

Date:

Dear Parent/Guardian:

This past winter your child, {Child's Name} was administered the state assessment for English Language Learner students known as Assessing Comprehension and Communication in English State-to-State (ACCESS) assessment to determine his or her English language proficiency. According to the test results, your child continues to be entitled to receive English language development support in classes for English Language Learners.

Because studies show that students who remain in the same program from year to year tend to perform better on standardized English and mathematics tests and are more academically successful than those who alternate between different programs, your child will remain in the English Language Learner program in which he or she is currently enrolled.

If you are interested in changing your child's current program, or have any questions, please call {SCHOOL CONTACT} at {PHONE NUMBER}. We look forward to helping your child continue to develop his or her English skills.

Respectfully,

“...to foster a culture of excellence within every student, in every classroom every day.”
