Christopher P. Phenix  
Assistant Principal

February 2019

Dear Families:

Every year, each public school and school district in Massachusetts receives a report card. Just as your child's report card shows how they are doing in different subjects, the school's report card is designed to show families how our school is doing in different areas. A link to our school's report card is available at [HERE](#).

The report card includes multiple measures of a school's performance – more than just MCAS scores. It represents a new way of looking at school performance, by providing information on student achievement, teacher qualifications, student learning opportunities, and more.

Report cards are designed to be useful tools for everyone connected to our school. Families can use the information to have meaningful conversations with us about what the school is doing well and where there is room for improvement. Community and education leaders can use the information to better understand how to support students and our school.

You will notice on our report card that we are:

- Criterion-referenced Target Percentage - 76% Meeting Targets
- Exceeded Achievement Targets in ELA & Math - All Sub Groups
- Met Growth Target in Math - All Sub Groups

To improve student performance in our school, we are:

- Increase the number of staff receiving literacy training
- Restructure of Response to Intervention/Enrichment
- Reorganization of Professional Learning Time
- Implementation of ST Math
- Increase attention to test taking writing & technology strategies
- Provide opportunities for coaching & observation of best practices
- Increase consistency with implementing best teaching practices while improving performance outcomes in daily assignments & benchmarks
- Begin implementation of Math Workshop Model - Grades 1 & 2
- Increase technology usage in grades 1 & 2

We encourage you to become involved in helping us improve our school. We see parents as critical partners in the success of our students and school, and we are grateful for your continued support.

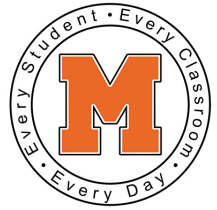

“...to foster a culture of excellence within every student, in every classroom every day.”

Finally, if your child attends a school that receives federal Title I funds, you also have the right to request the following information about the qualifications of your child's classroom teachers:

- Whether your child's teacher is licensed in the grade levels and subject areas they teach,
- Whether your child's teacher is teaching under an emergency license or waiver,
- The college degree and major of your child's teacher, and
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you have questions about our school's report card, would like to become involved in school improvement activities, or would like to request information about the qualifications of your child's classroom teacher, please contact me. To see our district's report card or to search for other schools' report cards, visit [reportcards.doe.mass.edu](http://reportcards.doe.mass.edu).

Sincerely,

Lisa Grimes

Principal
