In my opinion I think
the fox is wise. Because
in the fox on the
town, the video, the fox
got food for his
family and I thin

h that's wise. Another
resion is in Chickin
litte he offerd
to take the hens
to sat tea. And a
thrd resion is
in the ginger-bread
d man the fox
was wise becaus-
e he helped the
litte ginger bread man
cross the river
