little

My opinion about the fox

This is my opinion about the fox.  
In the G.B. man the fox  
is clever, the fox pretends  
to be the G.B. man's friend.  
In chicken little the fox  
was independent, he was working  
on his own to get the  
animals

I Henry penny the fox  
is sneaky. He led the  
animals to his cave to  
eat. The fox is mostly  
evil. That's my opinion.
