by \_\_\_\_\_

On Monday I went to

Quebec City. First I got

to the hotel. Next I

went to the bank and

got a native mune. Then

I went to the candy s-

torie and got some candy

and a stuff animal. It was

a cheetah. Last we went

to The ice skating  
public plays and  
practices ice skating  
and tricks. Finally we  
got hot chocolate and went  
to the hotel. I had so much  
fun!
