

Welcome to the Grade One English Language Arts Curriculum Website

This website was designed for the parents and guardians of first graders in the Middleborough Public Schools. The purpose is to:

- Inform parents on what Middleborough first graders are working on in the area of Reading, Writing, and Speaking and Listening
- Give suggestions on how parents can help support their child's learning
- Show parents how their child is being graded on the learning outcomes
- Show parents examples of end of the year expectations in the area of writing

Terminology to Support Navigating the Website

Graphic Organizers- a visual to help organize notes and/or ideas

Rubrics- a scoring tool that outline the expectations in which your child is being graded by, they are standards based

Exemplars- examples of student work that meet or exceed the expectations as outlined in the rubric
