Memorial Early Childhood Center Supply Program, 2018-2019

August 25, 2018

Dear Parents/Guardians,

Each year, parents inquire about necessary school supplies for their child's school experience. The teachers at the MECC have created a suggested list of supplies that would benefit each classroom. Most of these supplies will be on sale during "back to school" events in stores.

Through this outreach, we hope to minimize the supply requests that teachers ask for during the school year. We appreciate any donation you are able to provide and as always thank you for your continued support to our school.

Sincerely,
MECC Kindergarten Teachers
