MIDDLEBOROUGH PUBLIC SCHOOL BUS DRIVERS RANK 10TH IN THE NATION AMONG ALL FIRST STUDENT LOCATIONS!

Middleborough, Massachusetts - The bus drivers who serve the Middleborough Public Schools' students have been ranked 10th in the entire country by their company, First Student. In their December meeting, Middleborough Location Manager Tracy Donahue shared the outstanding news that our Middleborough bus drivers have been ranked 10th out of 425 locations nationwide!

This ranking is representative of the excellent work done by our drivers and Location Manager. The First Student Middleborough location ranked number one in no collisions and also in no personal injuries. Middleborough ranked very high in many other categories; including no excessive idling and no excessive speeding.

When drivers were told the great news they were very happy. However, they continued to ask questions on how they could further improve their performance because they are dedicated to doing their best for the students they serve every day.

When asked for her reaction to the great news, Tracy Donahue said "I am very proud of the great job the Middleborough drivers do. They all care about the service they provide and it shows!"

The Middleborough Public Schools' administration, faculty, staff, and students would like to thank all of our drivers for always putting the safety of our students first.

Caring for students today, tomorrow, together.®
